STANDARD RULES OF THREE CARD POKER APPLY TO THIS EXCITING, FAST-PACED GAME.

1. The player places an Ante wager to receive the first three (3) cards.
2. Players may also make an optional Double Shot Bonus wager for any amount up to two (2) times the amount of the Ante.
3. Each player has one of three options to play a hand.
 - ♠ Fold and automatically lose the Ante and optional Double Shot Bonus.
 - ♠ Make a Play/Draw wager at an amount equal to the Ante and play the original three cards.
 - ♠ Make a Play/Draw wager at an amount equal to their Ante and discard one of the original three cards to try to better the hand.
4. After all players have decided to either fold their hands or make the Play/Draw wager, the dealer will reveal his or her three cards.
5. If the dealer has a pair or better, the dealer will stand and will not draw for an additional card.
6. If the dealer has less than a pair, he or she will draw a fourth card and make the best possible 3-card poker hand.
